President

My Dear Colorado Sisters,

My last missive to you is one of gratitude for all of the accomplishments of the membership that have made this past year so successful and memorable.

My heartfelt thanks to “Westlake’s Wizard’s, (which includes both Elected and Appointed Board Members), Committee Chairman and Members, Lamplighters, Council and Chapter Presidents, the Membership of Colorado ESA and last, but not least my chapter, Zeta Omicron #4016, Cedaredge, Colorado for all of your love, support, and creativity that made this year so memorable..

We have had an outstanding year philanthropically with the “St. Jude Dream Home”.

Thank you to all the participants in that project. Roundup River Ranch was introduced as a new project – not a state project, but as a camp for children with life threatening diseases, and if a chapter wanted to donate art supplies for the campers they were encouraged to do so. A tour was given of the Ranch prior to the Spring Board meeting that many members attended.

Educational programs at State Board Meetings reached a new high with the presentation of “A Year in the Life of a Rancher’s Wife” presented by Carol Vela of Zeta Omicron #4016, and the presentation at the Hotel Colorado of “The Legendary Ladies” at Spring Board.

To all of you who made the trip to Convention, thank you. I hope that the “Carnival In Venice” will be a wonderful memory for you.

There is no way I can thank you for all that you have given me this past year, Please remember that you are all “Hidden Gifts” and share those gifts – remember Stay Inspired, Commit, Communicate and Nurture each other.

Cathy Westlake

President-Elect

Thank you to the sisters of Zeta Omicron for a wonderful state convention in Montrose. The staff at the Holiday Inn Express rolled out the red carpet for us the minute we arrived until we departed on Sunday.

Thank you to Bobbi Hawkinson and Patty Ehrlick for a wonderful installation. You made Saturday evening very special for me; I couldn't have asked for a more inspiring ceremony plus the surprise closing. I was very fortunate that my immediate family was able to attend; they were very impressed. To my Beta Alpha and Alpha Phi sisters, and the State Lamplighters, thank you for being my honor guard.

A special thank you to the sisters who said "yes" to take the challenge to run for a state office; and to those who accepted an appointed office. I'm looking forward to working with each of you this coming year. "The future belongs to those who *believe* in the beauty of their dreams"; a quote from Eleanor Roosevelt.

Mark your calendars for the **Fall Board** meeting September 21-22 in Castle Rock; the registration form and hotel information is included in this issue of the Golden Lamp.

Thank you to the Chapters and Councils that have submitted their **Officer Change Form**. For those who have not submitted their form, please send to Yvonne Farrell, 2012-2013 Corresponding Secretary, at 6167 N. Belmont Way, Parker, CO 80134 by June 15. The information is also needed by your Area Council and ESA Headquarters.

As discussed by the membership at State Convention, the **Yearbook** information will be available in several different formats for 2012-2013. Please advise Yvonne the format you'd like to receive the information: hard copy, disc, or flash drive (bring to the Fall Board meeting for downloading). The information will also be available on the Colorado website: www.esacolorado.org.

It has been an honor to serve on Cathy's board this past year as your state President Elect. Thank you Cathy for your "inspiration" and "deeds of love"; you took us to new heights this past year.

"Believe"
Mary Humphrey

Vice President

I have learned a great deal as your Membership Chair this year. Congratulations to all the chapters who had chapter growth this year. Keep up the good work. CELEBRATE ESA will continue to be a way of getting possible new members; I will be sending out more information on things you can use to publicize who we are. If you have questions never hesitate to ask.

A big THANK YOU to Zeta Omicron for a fabulous convention. It was so much fun and the food was out of this world. The 2013 Colorado State Convention will be held in Salida and the 2014 State Convention will be held in Fort Morgan. Please ask your chapter members or your council to host a convention in the future.

Wishing everyone a fun filled, healthy and safe summer.

Hugs,
Joan Snyder

Lamplighter President

It has been my honor to be the Lamplighter President for the past 2 years. In the past 2 years many tragic issues have come to light in our state. It has been my goal to bring this state back to the basics. Love one another. Count your blessings. Be a sister. Live up to the vows of our Ritual. Keep faith with ourselves and our sisters, be tolerant and sincere and ever worthy to wear the badge that symbolizes virtue, honor, truthfulness, friendliness and loveliness. This state has become divided by secrets and deceit. Two years ago, I was contacted by a few people about these problems. At State Convention I was contacted by dozens! We have lots of upset segments in Colorado.

Over the past 65 years we have not needed a standing rule 16. We were a bonded group, that worked for the good of one another and the state as a whole. We have never had the opportunity to have a St Jude Dream Home until recently. Colorado ESA made history by pulling the raffle license. Now we have many unsettled issues with the responsibilities of this huge endeavor. We need to talk as a whole, about these issues that are dividing us. I have been contacted by others that are not ESA about our issues. This is a growing monster. There is no "I" in ESA. Let's talk, the entire membership needs to talk and communicate together. Not little groups, not committees, not chapters, not boards. We must come together as the Colorado Membership. Let's be open. Let's start being the organization that we are meant to be. The one that we all joined and used to know. We should not be afraid of growth, thinking out of the box, exploring our new social media issues, but we should never forget our basics.

We could learn a lot from Crayons. Some are sharp, some are pretty and some are dull. Some have weird names and all are different colors, but they all have to live in the same box.

I love you all. I love ESA. Please do the same.

Always- Alice

Recording Secretary

What a wonderful year we have had with Cathy Westlake as our President. We have enjoyed a year of fellowship and accomplishment. With the success of our St. Jude Dream Home we have fulfilled a long held desire to join other states in this effort to benefit St. Jude's Children's Research Hospital. Cathy's theme of "Mountains that Inspire Deeds of Love" was so evident in all the events that I had the privilege to attend this year. Let us keep that inspiration burning bright this next year and support Mary Humphrey and her new board.

I want to say how much I enjoyed having Epsilon Chi, Ranglely as one of my in-service chapters this year. These ladies are truly inspirational to me. I will treasure the friendship I share with them. I have experienced much love this year, and have grown closer to many of you. It has been an honor to serve as your State Recording Secretary this year and I am looking forward to serving as your State Chaplain in the coming year.

Hugs to all,
Kathy Garrison

Easter Seals

Thank you to everyone for contributing towels and other items for the camp. Phyllis Minch had a loaded car and was able to drop off the items on her way home from convention. I also want to thank the ladies who bought raffle tickets for our items. I was able to send a check to the Easter Seals office for \$520. Phyllis is the new Easter Seals Chair for this coming year. There won't be an Easter Seals Sr. and Jr., just a chair because of changes in the by-laws. Contact Phyllis if you have any questions. Thank you again for your support for this wonderful cause.

Educational

As I started my job this year on the Colorado Board, I mentioned that in ESA we do a fine job of helping **others** but our chapter educationals are a way of actually doing something for **ourselves** and our sisters. I have to say that the Colorado chapters did not disappoint and I think I received the best gift of all by being Educational Director. My gift was having the opportunity to learn by reading all of the wonderful reports sent to me from around the state. Their themes comprised the chapters of my "book" entitled "Yvonne's Yearning for Learning." Below is a list of participating chapters and I am happy to report that they all received the Gold Seal Award. Outstanding work!!!

I thoroughly enjoyed the Fall Board in Cedaredge where we learned about daily life on a working ranch. At Spring Board in Glenwood Springs "The Legendary Ladies" gave a memorable performance as they portrayed historical ladies of the West. I was fortunate to attend several Founder's Day celebrations visiting with numerous Colorado E.S.A. sisters.

Educationals are also our way to **INSPIRE** ourselves! Cathy Westlake had an outstanding year as Colorado State President and I commend her for a job well done. Thank you Cathy, for the honor of serving on your Board.

What a tremendous "Carnival in Venice" State Convention in Montrose! Thank you and congrats to our hostess Zeta Omicron sisters for the great facilities, food and for making us all feel welcome in such a festive atmosphere. Congratulations also to Cathy Westlake and her 2011-12 Board for a great year as well as to all the winners during convention - what an amazing group of women with even greater accomplishments!

If any of you have pictures of the convention or your chapter's events you would like to share on the Colorado Web site, please send them electronically to cd3patino@msn.com and we will get them posted. OR, if your chapter has a website or FACEBOOK page, please send the link to us and we will include it on the Colorado Web.

The Colorado Web site www.esacolorado.org will be undergoing updating during the next few weeks. However, Mary Humphrey's current 2012-13 officers and chairman are now listed.

Have a super summer!

Publicity

Hi Everyone,

Hope everyone is having a great summer. Here is my final report for Publicity. There were five Publicity books submitted within the deadline.

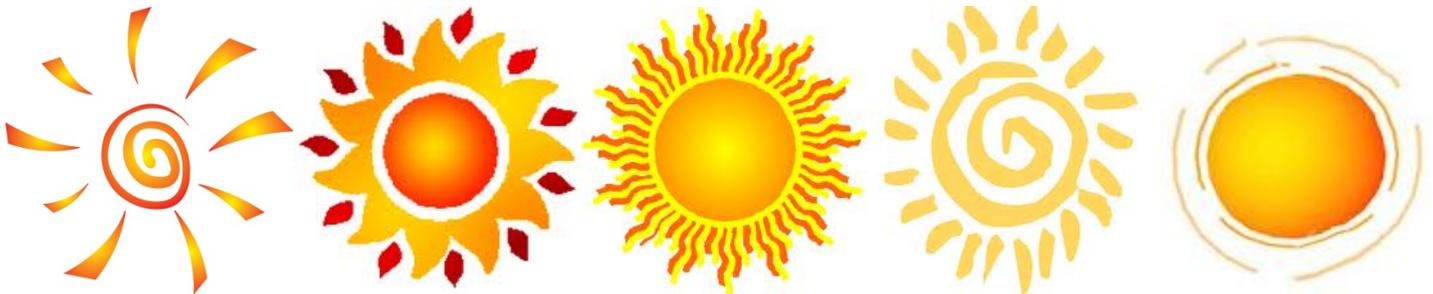

The Publicity book has been updated. Awards due date was changed from April 15 to

April 1st and the By-Laws and Standing Rules had not been updated since 2003. All have been updated and whoever is chairman next should update the book with new By-Laws and Standing Rules every year. There will be new steps to follow when ordering the Colorado Proclamation and the Colorado State Flag.

I would like to recommend these new steps to follow for Publicity. Any posting that you do on Facebook and the website calendar will be counted for Publicity. Any one can post a photo or a comment on the Colorado Facebook page and if you have trouble you can always contact Chloe.

I would also like to suggest that the President of a Chapter choose a Publicity Chapter Chairman that knows or is willing to learn the new technology of posting comments and posting pictures to our new Facebook page. Another idea, I have is for the Publicity Chairman to set up their own Chapter Facebook page and maybe that can count as a point too. Don't be bashful in posting photos or comments on Facebook. Be sure to hit the "like" button and that will link it to your Facebook page. We need to use Facebook and our website calendar more. Let our Colo. State Web Master put events on the web calendar. You can send your poster or flyer as an attachment and she will get it posted right away. This would also count as a point for publicity. It would be nice to know what EVERY CHAPTER is doing thru the summer and next winter.

Sincerely,
Publicity Chairman 2012,
Lori Anderson

CHAPTER HAPPENINGS

Alpha Phi #327

Golden, CO

Some of our members attended the State Board Meeting in Glenwood Springs.

Alpha Phi hosted the April Denver Alpha Council meeting and collected non-perishable food for the Action Center. The April chapter meeting was held at the Corner Cupboard and we enjoyed a tea luncheon.

Two of our members were installed as officers on the Denver Alpha Council board. Mary Guida is now the President and Linda Noell is Treasurer. This installation took place at the Founders Day luncheon at the Fox Hollow Den in Lakewood, Co.

Chapter installation of officers was performed by Sandy Alexander at the home of Juanita Larson. A pot luck lunch was served and a planning meeting followed.

Due to the illness and other obligations of Alpha Phi members, only one member, Mary Guida, attended the State Convention.

Jan Coates is recovering from a heart procedure and will be having more tests done. Pat Marty is also recovering from some health issues. Jean Dinwiddie, our MAL member, had a hip replacement on Feb. 28th. She is doing well and continues her recovery and rehabilitation at the home of her son and family in Bailey. Linda Noell, Juanita Larson, along with ESA sisters, Mary Humphrey, Joan Snyder, Nancy Cameron and Delores Holter (and Delores's daughter), attended the funeral service for Elizabeth Burke. It was a very lovely service. She was a very special lady and we will miss her.

Hope everyone has a great summer!

Beta Alpha #5416
Aurora, CO

Three chapter members attended State Convention. We were honored to be part of Mary's installation Saturday night. Congratulations to Mary, Pat Riley as 2nd runner up for Outstanding Woman of the Year, and Jeanie McLain as the winner of the costume contest Friday night.

May was a busy month for the chapter at the Colorado State Veterans Home, 1919 Quentin St., Aurora; we participated in three different activities with the residents.

Mother's Day, members of Beta Alpha and Zeta Rho met to make it special for the female residents. Joining Beta Alpha members Mary Humphrey, Pat Riley, Bonnie Young and Jeanie McLain were Zeta Rho members Rhonda Westcott, Linda Maes, Pat Frisby, Geri Santos Rach, Kim Eckert and guest Reginal Black. We met at the home during the breakfast hours to distribute silk corsages and visit with the ladies. Many smiles, hugs, thank yous and a few tears were exchanged. A few ladies were unable to attend breakfast, so corsages were taken to their rooms. We also gave corsages those on the staff who are mothers, leaving them both surprised and happy. Gentlemen asked for corsages for their wives, who would visit later; they wanted to surprise them. We also promised to return on Father's Day with a surprise for them. A total of 64 plus corsages were passed out. More important were the feelings that these ladies were not forgotten on their special day. Some residents have families who are able to visit, some have only friends and volunteers who care enough to take a couple of hours from their own Mother's Day to share the caring and love.

A Quilt Club was formed for the Alzheimer's residents. As a staff member said, they have not forgotten their skills. Pat Riley and Jeanie McLain worked weekly with the Club to make a flag wall hanging to be hung in the Heritage Wing Day Room. The flag was formally presented on May 23 to the residents at a small party with the staff.

Memorial weekend chapter members distributed hand-made flag pins to the residents. The residents are so appreciative that they are thought of.

Epsilon Epsilon #1896

In April we celebrated our "UnBirthday" party at Racine's. This just happened to fall on Vickie Chavers-Bruso's actual birthday. A good time was had by all. Joan Schlaefer received pumpkin plants from her "secret pal". She had grown pumpkins for a number of years with the profit going to St. Jude.

Epsilon Council held its Founder's Day luncheon at Legacy Ridge Aggie Woodward did a wonderful job with the Victorian theme. There was a presentation in observance of Epsilon Council's 60th anniversary. JoAnn Singley, Joan Schlaefer and Kathy Garrison attended. Council officers for 2012-2013 were installed with Kathy Garrison as Vice President.

We held our annual Mother's Day luncheon at the Holiday Inn in Lakewood. There were sixteen attending and it was a beautiful day and we again enjoyed the company of our friends and family. We had two invited guests, Joyce Fuller, Epsilon Council President, and Vickie Martinez, our in service officer for this year. We installed our officers for the next two years and they are: Kathy Garrison, President, JoAnn Singley, Vice President, Joan Schlaefer, Treasurer, Vickie Chavers-Bruso, Secretary and Nancy Cameron Parliamentarian.

Kathy and JoAnn attended State Convention in Montrose and reported that it was wonderful. The food was prepared by two catering companies and they did a suburb job. It was wonderful to see our sisters that we only see at the state meetings. Cathy has done a marvelous job this year as President and has inspired us all to continue to make ESA the great organization it is.

We will have our planning meeting on June 7th and JoAnn and Kathy will be attending IC Convention in Norman Oklahoma.

Have a great summer!

Outgoing President Sharon Rogers had our Mother Daughter Tea at the Lakewood Elks. The brunch was very nice. Judy Kendzora gave Sharon her Memory Book with lots of pictures from our different events from her year. Mary Humphrey did the Installation of officers for the up-coming year. We thank Mary for a job well done. Our Officers for 2012-2013 are:

President:	Sally Lobel
Vice President & Social:	Carolyn Rush & Judy Kendzora
Recording Secretary:	Barbara Retherford
Treasurer & Parliamentarian:	Sharon Rogers
Corresponding Secretary:	Maxine Vasey
Historian/Memory Book:	Bea Kauffman

After Joyce had a speaker at Council who told us about the "Free the Girls" Program-and it has really started to roll. Karen Taylor has collected 50-75 bras to ship to Africa. The women sell them to support themselves. Joyce, Karen and Judy attended Spring Board in Glenwood Springs. All three were very impressed with the entire conference.

Remember: "The person who says it cannot be done should not interrupt the person doing it"

Thank You Sisters

Colorado ESA sisters I again want to thank all of you for your support for my trip on the Honor Flight, I just wish that each of you could have the opportunity to go on the trip. I have been asked to go on the next flight in September by a 91 year old World War II veteran and my plans today will be to go with him. He is one of my breakfast buddies and wants to pay my way.

Thank you all for what you do for all of our Veterans. Should you want to see pictures of our trip you can go on this website: www.honorflightnortherncolorado.org.

Love you all,
Phyllis Minch

I would like to THANK all of the ESA sisters who have sent me Get Well cards. Also thanks for all your support. I am continuing treatment, and things seem to be improving.

Celebrate 65 Years!

65TH CELEBRATION OF COLORADO ESA LEADERSHIP

At the State Convention in Montrose, the Colorado Lamplighters presented a 65th Year Gala of the Colorado Lamplighter history. The gala was held in conjunction with the IC Rep Reception. Sandy Alexander, IC Parliamentarian, was our IC Rep this year. Sandy is a Colorado Lamplighter, serving as President 2008-09. This was a major, group effort by all the Lamplighters. Cindy Powers collected many of the Lamplighter's installation dresses and made an impressive display. Gertie Chapin has knocked herself out to update and fill in the Lamplighter scrapbook, which contains the Colorado history that has been entrusted to the Lamplighters. Candie Patino with the collaboration of Betty Turetzky, B J Marshall, Alice Robinson, The Golden Lamp, website and all the Lamplighters; put together an impressive power point presentation. Joyce Fuller and Patty Ehrlick prepared cake and petti flours for the reception. Champagne punch, mints and nuts were also served.

The entire presentation was such a success that we have been asked to represent it at the Fall Leadership in Castle Rock. The Lamplighters are working on having CD's and possible book form at that meeting for sale.
