“Embrace the Journey”

Greetings! I can't believe that State Convention is just around the corner. Where has the time gone? Soon it will be time for Founders Day events and I always look forward to those and then convention. Kappa Iota has been planning a great weekend for us in Vail. Take time to enjoy the beauty around you while you are there as we are blessed to live in such a beautiful state.

We had such a great time at Spring Board! The lovely ladies of Ft. Morgan always do such a great job making us feel at home. It was such a relaxing time with all the fun and games on Friday night! The Garrison Park Ranger paid us another visit and did they ever put us to the test! Did you know that there are three states that have eight National Parks? Do you know which ones? We even got Jody Karr to draw pictures (under pressure) to interpret what a team member wrote down which leads to the final read out not being anything near what the beginning idea was! (Confused? So were we!)

Hellen Hagel has done such a stellar job this year with the Golden Lamp but she is disappointed that more chapters don't submit articles sharing what they are doing around the state. The only way we know what you are accomplishing is to have you tell us about it in the Golden Lamp. It would be so wonderful if every chapter submitted an article to the Golden Lamp during the year so we could all see what great things you all accomplish!

Please check the Colorado ESA website, Candie is busy updating the calendar with all the upcoming events. You won't want to miss anything. We have had some confusion this year with some of the forms and Candie has been busy updating those that have come into question. We must be more cognizant in seeing that when forms need to be updated that they are taken care of in a timely fashion.

I want to thank those of you who have donated to the Wildland Firefighter Foundation and hope if you haven't yet you will consider it. I am hoping to make a statement that the State of Colorado supports them in a big way. We saw the video "The Fire Line – Wildfire in Colorado" that brought home the real threat wildfire is to our state. These are heroes that put themselves in harm's way to protect us from wildfire many of which are young people doing a summer job. The Wildland Firefighter Foundation supports the families of those firefighters that are lost in wildfires or who are injured fighting those fires. Survivor families are forever a part of the Foundation's purpose. To learn more about the Foundation please visit their website. www.wildlandfirefightertfoundation.org.

Please continue to keep doing all the wonderful things you are doing. You are what makes ESA such a great organization because of all the time you spend raising money to give away. Soon it will be time for you to be recognized for all the hours you have spent on your projects. Let's remember that we need time to celebrate ourselves and our sisters. The time we spend laughing together and learning together are the times we will remember.

Love in ESA,
Kathy Garrison
Colorado State President 2017-2018

Officer Reports

Easter Seals of Colorado has been busy again this year with a change of CEO and their Administration office moving to a different location just a few blocks away. This gives the original location more room for renovations, making it even better as a Rehabilitation facility for Stroke, Polio, etc. clients. Lisa Dokter is their contact person @ 303-233-1666 @ 393 S Harlan St, Suite 250, Lakewood, CO 80226 for further questions & information (Administrative office).

Rocky Mountain Village in Empire, Colorado contact is 303-569-2333 @ campinfo@eastersealscolorado.org for more questions & information. A list of their needs is on our esacolorado.org website or I can email you their list, please let me know.

The WINGS program in Loveland has also added a Greeley location, so their Director Katie devotes her time & energies between Loveland & Greeley locations. Their renovations at their Loveland office are almost finished as they finally got a door between the offices so they don't have to keep going outside to enter and exit between offices too. They also have a new Art Director who has been putting together Day Activity Program art projects for their clients as well. Katie Dockery is WINGS' contact person @ 970-669-2777 @ 1670 Topaz Dr, Loveland, CO 80537. Their list of needs is also on our esacolorado.org website, but again, I'd be happy to email you that list too.

Our ESA Sisters have helped greatly with four mailings this past year PLUS another one on April 10th @ 9am at their Administrative office address: 393 S Harlan St, Suite 250, Lakewood, CO 80226. Please let me know if you can make it or just show up and we'll get those 800 mailings done. I've so appreciated all who could help with mailings and donations the past two years. It's been a great time laughing together and working together too.

This year I won't be going to Convention as my son graduates from High School the next Saturday AND my daughter has her continuation ceremony AND family/friends coming in from out of state. Can you believe I also got a Jury Duty notice for May 16th as well? So, my awesome Sigma Rho Sisters will be pitching in with handing out Easter Seals awards, drawings and organizing Tower of Towels for Friday night, in which the CEO &/or Lisa will be there to accept them. There will be TWO drawings at Convention: A Vintage Picnic Bag donated by Joyce Fuller plus another drawing of a basket with more WINGS cards, 2 electronic tablets & some surprises too. 6 tickets for 5\$ or \$1 per ticket, please.

Again, The Tower of Towels and WINGS combined list of supplies needed is on our esacolorado.org website, but if you'd like an email of what to bring for Convention, please let me know, and I'd be happy to email you one as well.

Thank you again for all you do for Easter Seals of Colorado. Thank you for getting your Easter Seals reports to me, your donations and time to serve. Easter Seals of Colorado has been an extra blessing to be a part of again this year. Thank you
Susie Morris, Sigma Rho #5014 Loveland. ESA Colorado Easter Seals Coordinator

Dues & Robert's Rules

Message from the Executive Board

There has been some confusion this year concerning the deadline for paying state dues. This has caused some of you to worry that your chapter will not be eligible to participate in awards, bidding on conventions, running for office and filling board appointments.

To help alleviate these fears, the executive board has recently met and are in agreement to suspend the Colorado State Dues deadline for this year only.

Although our own By Law and Roberts Rules state we cannot do anything about this until we have a regular meeting of the membership, we propose that this is an emergency. We need to do what is best for our entire state and suspending the deadline for 2017-2018 will greatly help. This will be a time of reflection, learning and going forward on a positive path.

We believe as the membership was eager to support suspension of the Vice President's qualification, they will be supportive of this suspension, too. An official vote can be taken at the May meeting and the members will understand that "time is of the essence" and we need to move forward now.

We hope this helps

Let us know if you have any questions or concerns.

Lamplighters

Seventeen Lamplighters attended the March 2018 Colorado Spring Leadership meeting in Fort Morgan. Friday events included a Lamplighter meeting where many items of business were covered including the appointment of advisors and obtaining volunteers for the flag ceremony and awards judges. 2018-2020 Lamplighter Officers will be: President, Shirley Telinde; Vice President, Bobbi Hawkinson; Secretary, Mary Humphrey and Treasurer, Bonnie Gillmore.

After participating in Saturday's Leadership meeting, eleven Lamplighters traveled to Casa de Gertie (Gertie Chapin's home) in Weldona for a retreat. Various topics of business were discussed. It was unanimously voted to purchase a \$50 ad in the IC convention Program for Sandy/Mary – we are so proud of our sisters!

With the business portion of the retreat completed, nine Lamplighters changed into their "jammies" to spend the evening. Each lady had been asked to bring their favorite childhood toy and share their memories. Much was learned about each member. It should be noted that the youngest member of the group finally called the session to end at 1:00 am ... and the rest agreed!

Lamplighters - Always willing to serve, always ready for FUN!

CHI Kappa #5129

Happy April 1st! Hope everyone got all their reports in. In March we had our Secret Sister Birthday party and gift exchange.

Chloe and Rita attended Spring Board in Ft. Morgan, where the candidates for the 2018-19 year were announced. Everyone is running unopposed. Remember the "good ole days" when there were more candidates than offices? Chloe will be the State Treasurer. Chloe and Rita also attended Gamma Chi's Bunko party in Loveland. We didn't win any prizes but did have a lot of fun. Coming up this month are the Founders Day celebrations starting with Denver Epsilon Council. That should keep us busy until it is time for State Convention.

We have been busy clipping coupons and making items for our Chocolate Lunch in October.

Until next time.

Rita Martin

Gamma Chi

Well, we made it through completing all the paper work for yearly awards. It's amazing how busy we keep ourselves.

The end of February we had a lazy and fun movie night. We enjoyed the movie "Swing Shift" to go along with Phyllis' theme. At the event center at Mirasol we sat in comfy recliners and ate snacks and candy. What more could you ask for. We had a great time at our Bunco Party and thanks to all of you that attended. 5 of us traveled to Ft. Morgan and we had a fun time at Spring Board. We also spent money in downtown Ft. Morgan.

The chapter is busy planning and preparing for our chapter 50th anniversary.

Bingo at Silver Leaf will continue once a month through April and then we take a break.

Community Kitchen continues monthly. The end of April we will be hanging out at the Noodle Palace. All of you know what that means.

Hoping the Easter Bunny was good to all of you.

See you in Vail in May.

Theta Eta

It's springtime in the Rockies and Theta Eta members are busy completing seasonal events. During our February meeting, we shared stories and memories of our sister Barbara Rutherford whom we lost suddenly in January. The experience was part of the healing process during our grief.

The Honor Flight telethon, which we donated to, raised a total of \$120,000 which is enough for two future Honor Flights to Washington, D.C.

In late February, members met at Bea Kauffman's home to cut coupons for troops, sew blankets for the Restore Innocence project and put together toiletry bags for the Denver Rescue Mission.

In March, we met at Maxine Vasey's home. Guest Sandy Schmoller presented an Educational Program called "Purses to Go." She collects donated women's handbags and fills them with toiletries and a small amount of cash. The purses are then given to homeless women.

Three of our members attended an Open House at the Action Center's Homeless Shelter on March 10.

Four members volunteered at the Auction Center's Beautiful Junk March 16 &17. This event is one of the Auction Center's fundraisers and is held every March & October at the Jeffco Fairgrounds.

We spent our yearly philanthropic funds, donating to two scholarship programs, St Jude's, ESA Disaster Fund, The Wildland Firefighter's Foundation, Owl's Roost Camp and Easter Seal.

We made plans for fundraising for next year. Nut sales are ongoing. We sold cinnamon rolls from Johnson's Corner, taking orders at Green Mtn. Presbyterian Church March 11, and delivering the rolls on March 18. Future fundraising ideas will be pursued
Two members attended State Board in Ft. Morgan on March 16 & 17th.
Happy Easter!

ZETA CHI CHAPTER #3878

Sometimes our chapter feels we need to be meeting at the ER or rehab center. Several of our members have fallen, luckily nothing too serious. One member has had double knee replacement. Hopefully, this spring, members will be healed up and our chapter getting back to having all members present at our meetings and socials. Plus, Peggy Strandvold, a Zeta Chi member, recently lost her husband, Al, after 60+ years of marriage.

Several members attended Gamma Chi's bunco party in early March and Alpha Lambda's chili supper fundraiser in late March. We always have fun with our fellow NCC sisters and our other ESA sisters from the Denver area. Alpha Lambda always has the best chili! We are in the planning stages for our garage sale in late July.

Glad that spring is here, although you cannot always tell that by the weather.

Hope for Heroes

Phyllis Minch is collecting items for soldiers who are serving on the front line in areas where there is conflict. This is part of our HOPE FOR HEROES program. Phyllis was introduced to a member of the Marine Corp. League in Denver who sends items to soldiers. They do all the shipping and postage. He asked that if you are buying any food items to please check the expiration dates and remember, if you are sending any meat products such as jerky, pork products are not allowed.

Your chapter can pick from the listed items and the chapter with the most item will be rewarded!

Thank you for helping our soldiers, for without them, we would not have the freedom and rights we have today. GOD BLESS THE USA!

Suggested items: razors, snack foods, hand & foot warmers, instant drink mixes, chap stick, batteries, and zip lock bags.

Please call Phyllis at 970-669-6292 or email gonavy46@gmail.com if you have any questions. You can either bring the items to Phyllis or bring to state convention.

Epsilon Epsilon #1896

In February we visited the National Museum of World War II Aviation in Colorado Springs. This is a real treasury of history of the war and the planes that were flown in it. All the aircraft in the museum are in flying condition. Our docent was very well versed on the war and each plane we saw. There are also many displays depicting each stage of the war and what took place at that time. This almost calls for a second visit to see it all. The plane in the photo is one that actually flew in the war and has been restored after being buried in a pit on an island when troops left for the US.

In March JoAnn and Kathy attended the Gamma Chi Bunco Party. The proceeds from this year's party will benefit the homeless veterans in Loveland. There have been ten housing units built for them. A spokesperson explained that they are given gift cards so that they can purchase their own food and other items. We had a lovely box lunch and lots of fun! We also met some prospective new members for ESA!

Spring Leadership was in Ft. Morgan and our entire chapter attended. It is always so much fun to be with the ladies of Ft. Morgan and they make everything so easy and relaxed. The games on Friday night kept everyone in stitches trying to locate the National Parks. St. Patrick's Day added fun to Saturday with a lot of green and a lot of Blarney!

After Leadership it was time to fill the Easter Baskets for Hope House. Kathy, Jan, Joan and JoAnn met at JoAnn's home and filled eggs, stuffed Bunny Bags with goodies for the kids. For every egg that was filled with M&Ms some found their way into our mouths! Hope House is a safe house for abused women and their children and this year we filled 15 bags.

Soon it will be time for Founders Day Celebrations and that is another time for us to visit with our ESA sisters around the state. This year will be the last for our sisters in Pueblo since Hope Eason passed away. She was the spark of their Founders Day events and those times will be missed but we have some wonderful memories of them.

Convention is on the horizon and it seems like this year has just flown by. Soon we will be celebrating and recognizing all the hard work done this year. Even with all the hard work we manage to have a good time! We will be helping Kathy complete her year in Vail with sisters from around the state. Kappa Iota is planning fun weekend for us and there might even be some surprises!! Hope to see you all there!!

Going Back a little in time, we will start off with Epsilon Council's Christmas Party, held December 12th 2017. Theta Eta Chapter hosted a Holiday Brunch at the home of Joyce Fuller—Theme: "Things That Make it Christmas." Everyone enjoyed the Holiday Bunch, the chance to purchase homemade bake goods, nuts, books, and homemade items. There were two great games that EVERYONE in attendance HAD to play! Believe me, we had fun!! Six sweatshirts from each Chapter were provided for residents at one unit of the Ft. Logan Mental Health Center. Next meeting was our February Pot Luck hosted by Chi Kappa at Member Nancy Caray's home in Golden. Our State President, Kathy Garrison provided information on her most worthy State Philanthropic project, "Wildland Firefighter Foundation." At that time, our Council Philanthropic funds were disbursed to: Easter Seals, Wildland Firefighter Foundation, Disaster Fund, ESA Foundation, and to Lori Lieberman Scholarship Fund. We drafted our new 2018-19 slate of Officers to be voted on at our April Meeting. And now, coming up, is our April 10th Meeting, hosted by Delta Theta at 10:00 a.m. at the Egg and I on Bellevue in Littleton. And, last but not least, we are looking forward to our Founder's Day celebration, April 21st at Mickey's Steak House. In the meantime, wishing everyone a very Happy Easter!
