Presidents' Message

I am writing this article FOR Loydette:

As most of you know, she is in the hospital and does not have access to her computer.

I know, if she could write this article, she would say how PROUD she is of Colorado and all the accomplishments

we made last year. How PROUD she was in representing our great State at IC Convention in Memphis and what an honor it was. She would also say how thrilled and excited she was to see so many 1st Time Convention goers in the Colorado Delegation! That was truly wonderful and really thrilled that so many from Colorado made the journey!

It was great seeing Colorado represented so well!

She would wish for all of us to start thinking about sharing ESA with others in our everyday lives.

Let's not be selfish and keep it to ourselves.

New members only make us stronger, as Chapters and individuals.

Although her planning meeting had to be canceled, I know Loydette has many plans going into her year.

I'm sure she is hopeful that the upcoming year will hold some new surprises and heightened enthusiasm for all your projects and fundraisers.

Please keep everyone who came down with this virus and is still recovering in your prayers.

We still do need them! The Awards for IC Convention for Colorado will be presented at Fall Board.

Please be sure to attend!! Full steam ahead, ladies!

This will be a wonderful year for Colorado. How can it NOT be with so many Angels!

Love in ESA!

Loydette Knight

Vice President/Membership Report

Hard to believe the summer is almost over.
I am looking forward to being, your
Vice-President and encouraging membership.
Fall Board is closer than we think.

I would love to hear any ideas on how your
chapter is working on membership.

I will also be presenting the new
ESA Membership Book.
Enjoy the rest of the summer.

A Message From The Golden Lamp Editor

Hello ESA Sister's,

I'm excited to be a part of the **Golden Lamp** newsletter/editorial. I'll do my best as I am on a learning curve. It will definitely look different as I put my twist on being creative. Each page will have it's own meaning and information to keep you informed.

Please send all articles to Dixie@dixiedaly.com and in the subject line put "**Golden Lamp News**" that way I'll know that you would like it in the next Newsletter :) Due on November 1st 2019

Please add your **NAME - CHAPTER# & EMAIL ADDRESS** in case they have questions on your article.

I'll have lots of Love creating the newsletter and honoring Loydette's Angels in Disguise theme.

On another note, if you had pictures in your article, please also send them in an attachment jpeg format:

Please go to esacolorado.org to see our latest Golden Lamp newsletter and for those who have asked to have it mail, I'll be sending it out right away.

Thank You, Dixie Daly

Kappa Iota # 5442 - Golden

It's All About The Journey

Two members from Kappa Iota, (Nancy Cameron and Leslie Stevens) made the journey to IC Convention in Memphis, TN, via CAR!

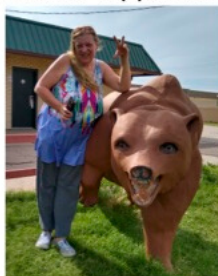

We attended the restructuring meeting of DAC, then started our journey east!

Our first stop was in Burlington, CO where exists a carousel. In attempting to follow the signs to the carousel, I was not paying attention as well as I should have and blew right through a STOP SIGN! Upon realizing this, I stopped in the middle of the intersection to be sure no other cars were coming, and lo and behold, when I looked to the left, there was a police car just pulling up on the intersection!!! And yes, he pulled me over! As I'm frantically trying to get my seat belt on and paperwork together, he approaches my window LAUGHING HYSTERICALLY! He said "You should have seen your face!". He only gave me a warning and we did make it to the carousel!

Nancy rode the Tiger and we had to get a picture with the Hippocampus, cause it's kinda both our favorite and, of course, I rode the dog!!!

We also met Bearington in Burlington!

Our next adventure took us into Kansas City where we ran into K.C. Royal! He was a surprise! We just needed some gas, and there he was, hanging there on the side of a building!!! (gotta work on our selfies!)

Next stop, of course, was Memphis!!! Home of the Blues! We had dinner with our good friend, Betty Ziska, her Sister In-Law, Sheila, Rita Martin and Chloe McClantoc at the Hard Rock Cafe on Beale Street. It was "School Rock Night" and several bands made up of children were playing! It was fantastic! Loud and crowded, but these kids nailed their songs and it was great to see rock 'n roll being carried forward to the next generations! At least for me! And right across the street, was another Tiger!!! We, of course, toured St. Jude and made a couple trips across the bridge into Arkansas to go to Wal-Mart!

Our trip home was much more active, but I will save that for the next article! Would take up three pages otherwise! Was great seeing all our Sisters in Memphis! We love IC Convention and I love the time spent with my Mom on these trips! Till next issue!

What a great time we had in Memphis! We had so many from Colorado and a ton of 1st timers! What a thrill it was seeing their faces and reactions to all the going ons! Couldn't get a better place for their first IC Convention either! Even though it was HOT, it actually was pleasant most of the time. The facility was excellent, and everything was right on time.

I was very honored in accepting the awards for our State! That is something really, really special to do as the Jr. Past President. I wore my good walking shoes, although I didn't need them, cause I only had to go from the picture area, and back to the stage area, which was only about 5 feet!!! Eventually, the award presenters, just started coming to me!!! WE WON SOOO MANY AWARDS, LADIES! It was great!

I want to thank you for giving me that opportunity! It is truly, truly very special and a great way to end my year!

I know in the coming year, there will be many more awards coming our way.

As Disaster Chair, I hope you are all thinking about ways to make donations for the Disaster Fund. Please remember that THIS is the way we help ourselves in time of need! Think about how you would fair if you had a wildfire come ripping through your town, or a flood, or a hurricane! Would you be able to replace your belongings? Replace your vehicles, your home? What about a medical emergency? Would you be able to pay those bills, on top of your mortgage? THIS fund, can help you! So many would be wiped out should an emergency happen and we want to be able to continue to help our Sisters out!

Please consider making a donation to the Disaster Fund this year!

As I said before, I have a wonderful surprise to raise money! It's half way done and you will find out about it at Fall Board! It's really special! One of a kind! Bring your money, cause you're gonna want to get in on this!

Hope to see many of you still coming to RMRC, but if your sick, don't come!!! I dodged it once, don't want to risk a second chance! I'm not that lucky!!

Keep Believing!

Leslie Stevens

Our new officers for 2019-2021

Susan Brown, President

Cindy Starck, Vice President

Hellen Hagel, Secretary

Cheryl Beavers, Treasurer

Karolyn Kufeld, Parliamentarian

Susan's motto is:

"Dragon Energy, Empowerment, Strength and Truth."

We ended last year honoring Cindy Starck as Zeta Chi's woman of the year, for all her extra effort in keeping our chapter going, filling in for other officers when they were gone or had left Zeta Chi.

Cindy is definitely the epitome of what an ESA sister should be!

We are looking forward to this year with our new officers, starting with our salad luncheon in September at Cheryl's home.

Epsilon Epsilon #1896 – Denver

Three members attended IC Convention in Memphis, TN in July. Vickie Chavers-Bruso, JoAnn Singley and Kathy Garrison enjoyed a week of adventures. Two of flew to Memphis and one drove. JoAnn battled the remnants of the Topical Storm Barry to join us at the Sheridan Downtown Hotel in Memphis. The rain persisted from Monday until Thursday but did not prevent attendees from enjoying the various tours. The three musketeers took the tour to Graceland and what a day that was! After touring the home we checked out all the other buildings in the compound from seeing all of Elvis' car collection to the planes and of course all of his Gold Records and other awards. The exhibit of many of his famous

jump suits was very interesting with the elaborate designs on each outfit. Some of them must have been quite heavy with all the jewels attached.

Another adventure we had was checking out the Memphis Barbeque scene with the Majestic Grille being the winner! The Majestic Grille is housed in an old movie theater and they show old movies while people are dining. We lucked out without a reservation as "Hamilton" was playing down the street and a group who were going canceled their reservation. We were joined by Susie Morris and Dixie Daly and the dessert shots were the perfect finish to a fantastic meal!

Of course, who goes to Memphis and doesn't visit the Peabody Hotel to see the ducks? JoAnn, Kathy, Mary Humphrey and Yvonne Farrell took the time to watch the little waddlers make their way from their penthouse via elevator and down the red carpet to the fountain. What a hoot!

The tours of St. Jude Children's Research Hospital were eye opening. It is one thing to see the videos and ads on tv but to actually be there and

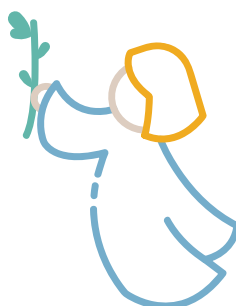

see some of the kids will melt your heart and you will never be the same. To be able to actually see just where all of our efforts have gone is overwhelming. And to visit the memorial garden where Danny and Rosemary rest was inspirational.

The convention got off to a great start with the traditional Flag Ceremony. Each of the General Assemblies were well attended and the keynote speaker was very enlightening.

Even though some of us came home with a virus all in all the experience of "Merriment & Memories in Memphis" was a great time.

Book Club

I hope all of you have been reading enjoyable books. Summer is always a great time to read because we often have more time. It has been difficult for me to concentrate on books lately so I don't have any personal suggestions. I am rereading the Mitford Series, which is thoroughly entertaining. I think any of these I have listed would be great for book club discussions. I am sure when the new Jonquil comes out, there will be some suggestions, too.

Denver Alpha Council Recharge!

In the 2018 – 2019 year members of the DAC decided to take a year to evaluate the structure of the council as it was. A decision was made to create a committee (one person from each chapter) to plan the Christmas Luncheon, Founder's Day, and a Valentine's Day philanthropic.

Chapter members jumped in and each event was a huge success!

On April 13, 2019 the committee met at Holly Creek Retirement Community in Centennial to decide whether to dissolve the council, or to elect officers and move forward as a council again.

The 2019 – 2020 Denver Alpha Council continues! At the April 13th meeting, members agreed to move forward with the council. With the continuation of the council, members felt that the By-laws and Standing Rules needed to be reviewed and adjusted to meet the philosophy of the new council and its members. On June 8, 2019 the members of the council met and started the long process of reading and adjusting each by-law and standing rule. Unfortunately time ran out on this day so a second special meeting was scheduled for July 13th.

At the meeting in July, the final draft of a new set of by-laws and standing rules were created.

On July 13, 2019 the new and revised DAC Council by-laws and standing rules changes/amendments were completed and will be voted on at the first business meeting in September 2019. A huge thank you to Mary Humphrey on her hard work of organizing and typing up both sets of papers.

Members of DAC would like to welcome the following people and their dedication and commitment to the DAC Council and to all members of the council:

Shirley Conway President
Betty Kring Recording Secretary
Georgia DeLong Treasurer
Donna Lee Vanstone Historian
Leslie Stevens Yearbook
Majie Satterfield Chaplain

The members of Denver Alpha Council have a renewed energy and are looking forward to a fun and productive year.

Denver St. Jude Dream Home

Can you believe the “kick off” for the Denver St. Jude Dream Home is just around the corner? Tickets go on sale Friday, August 23, with our first Sellathon at KDVR, Fox 31, our media sponsor.

The Dream Home is located at the Enclave in Green Valley Ranch across the street from last year’s home. The address 20891 Beekman Place, Denver. Open houses begin Saturday, September 14, from 9:00am to 5:00pm; Sundays from noon to 5:00pm. The drawing is Thursday, October 24, on KDVR.

Landmark Lincoln is once again donating a 2019 Lincoln MKC as one of the prizes. They are sponsoring their annual Drive-to-Give on September 14, at their dealership located at 5000 S. Broadway, Englewood. \$50 is donated to St. Jude for everyone who stops by and does a test drive (you select the model of choice). They also have a car show with monetary prizes and provide lunch.

At this time, please let Nancy Cameron know if you are able to assist with the open houses or Sellathons. Email Nancy at ncnoremac@aol.com. Due to glitches with VMS, we will not be using it to sign up to volunteer for the Denver Dream Home.

Colorado was recognized at International Convention for “ESA for St. Jude ~ Largest Individual Event”; first place was the Denver Dream Home and third place was the Colorado Springs Dream Home. This was all possible due to “your” countless hours “you” volunteered at the office, the Sellathons, and the open houses. Give yourselves a big “pat on the back.”

Dear Beautiful, Generous ESA Sisters!

The time for the Denver Dream Home Campaign
to get underway is fast approaching and
the first things that happens is the
FIRST DAY OF TICKET SALES - AUGUST 23rd

Therefore I'm recruiting for that Sellathon.
It will be at Fox 31 News Station in downtown Denver.
The hours will be 5:45am to 9am.
Would you please consider being our Bright Shiny representatives for that day????

You always do such a great job and make us look GOOD!
We will need a total of FIVE people.
If you know of any other ESA Sisters OR Brothers who would be willing to join us they would be
most welcome.

Thank you for your early reply!

St. Jude Events at IC

What an honor to visit St. Jude Children's Research Hospital while we were at International Convention in Memphis! No matter how many times I've visited, I'm always in awe of the hospital and the care and concern of the staff for the patients and their families. There are no words to describe the feeling. I'm sure those who visited the hospital feel the same way.

On our tour, we did have the opportunity to visit the ESA area.

I also had an opportunity to tour the Enterprise Center located in the old Sears Tower. The Center has 300 employees and is open from 7:00am to 9:00pm. The "Call Center" for our Dream Homes is housed here. In the hallway is a timeless photo of Danny Thomas when the statute of St. Jude is unveiled; his face says it all.

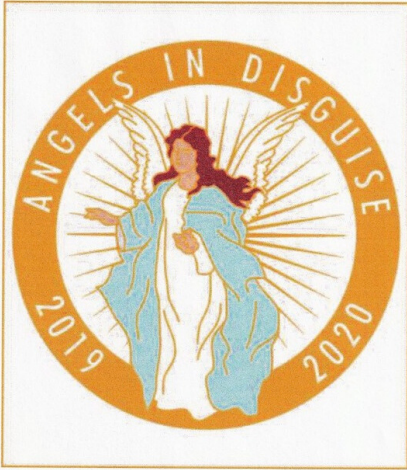

Friday night was the "Walkin' in Memphis" IC Challenge. We were bused to the Domino's Event Center on the Hospital campus. The event raised over \$56,294; this is the most the IC Challenge has ever raised! A nurse from the hospital gave an inspirational presentation regarding her career with St. Jude and the patients she has worked with. When the patients leave the hospital, the staff sings the "You Don't Get Chemo Anymore!!!" departure song that she wrote. The highlight of the challenge was to walk from the Event Center thru the campus to the front of the Hospital where another iconic photo, replicating the photo taken at IC Convention in 2000, was taken.

Saturday night was the St. Jude presentation of dollars. What a celebration as we reached the unbelievable total of \$290,443,946 in the 47 years ESA has supported the Hospital. This last year alone, ESA raised \$22,806,798. Congratulations!!

As this year closes, I'll be traveling to Memphis to participate in the Memphis Marathon December 7 as team captain for *Team ESA*. That too is a humbling experience to see 30,000 people run for the kids at St. Jude.

Check the schedule, sign up, load the car with your chapter members or friends and head to the house.

Thanks, The Denver Dream Home Team!

First Best ESA IC Convention 2019 – Memphis, TN

By: Susie Morris Sigma Rho #5014

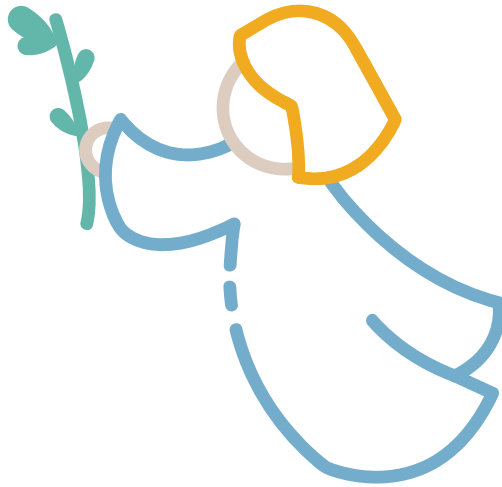

To summarize a week with ESA members: touring Memphis hot spots, trolley rides, walking tours, hometown cooking, shopping, workshops and celebrating 90 years of ESA was so fun. I'm already looking forward to next year at Grapevine, TX 2020 ESA IC Convention.

We flew in on Monday afternoon, relaxed that evening at the hotel while meeting other ESA members from other states, getting to know our schedules and accommodations. Tuesday was at Graceland ... wow, Graceland. The iPad video tour was very helpful for me, making it easier to follow along and hear interesting facts and seeing photos as well as the real thing. The Mansion, museums, shops ... I could have toured there even longer as there was so much to see, listen to and spend time just relaxing by their tranquil pool and garden.

Wednesday was what I was most excited about going to Memphis, TN ... we toured ST JUDE CHILDREN'S RESEARCH HOSPITAL!!! It was even better than I had imagined: so positive, so encouraging and so uplifting. The hallways were painted in different seasons with children, while some children had prosthetics and yet were playing with the other children, not being left out. Our tour director was knowledgeable, kind and respectful showing our group of 10 around the hospital, seeing the kiddos, their parents and yes, ESA contribution walls and other ESA touches here and there. Danny Thomas' ALSAC Pavilion was beautiful inside and out, which was also a peaceful place to pray and read of his family history. The next highlight – SHOPPING - the St Jude gift shop buying t-shirts and trinkets before getting back on the bus to go back to the hotel. Wednesday evening was a beautiful Welcome Party at the Ballroom at the Convention Center just across the street from the hotel. Wow, what a beautiful turn out!!! Thursday was informational meetings and educational workshops. We toured PINK PALACE, and that evening was our Colorado Night Out dinner followed by TRIVIA night. Our Trivia group didn't make the top 10 but we sure had fun. The week was flying by fast as Friday was RED, WHITE & BLUE for Opening Ceremony/1st General Assembly. Our Colorado crew wore our Colorado scarves and dressed all festive in Red, White & Blue as well. Like State Convention, the IC Convention was filled with traditions, beautiful flag ceremonies and information to share with our chapters. Eighty four of us "first timers" were recognized up front, which was surprising and fun. At noon, a yummy and fun recognition luncheon for service awards, plus afterwards a St Jude – Meet the patients balanced out a beautiful day of why ESA does what it does ... to raise money to help others in need!!!

Saturday's Second General Assembly was also informational, full of traditions and heart felt talks of memories of the past and expectations in the future. The day flew by in preparation for that night's Banquet and Installation of IC officers. The evening didn't disappoint as the dresses, colors and dinner were elegant and full of fun. It was an honor to see our new IC President entertain us with her vision for her upcoming year and all the many years of service presented to our members.

Flying home on Sunday was harder than I expected, saying good bye to new friends I'd met during the week plus getting to visit more with our Colorado members as well. All in all, congratulations ESA members on all our successes and thank YOU for making this MY First Best ESA IC Convention.

First IC ConventionBy: Dixie Daly Sigma Rho #5014

What a special week at IC Convention in Memphis Tennessee.
I truly learned so much more about ESA & St Jude Children's Research Hospital.
I was very impressed with the collaboration and love everyone shared. Everyone was so kind.

Going a few days early was definitely a plus, visiting legend Elvis Presley's home, was something I never thought I get to do, it was awesome!

And the tour of St. Jude Hospital and learning why we fundraise & give our time and efforts to help children was amazing, Seeing the ESA wing was pretty special too.

Having Susie Morris as a roommate sure made the week awesome & fun. We had a great time doing a little bit of exploring. Pink Palace Museum, Beale Street, riding the Trolley, having dinner at Majestic Grill & Westy's and enjoying time with other ESA Sister's.

I recommend everyone attend IC Convention and get to know more about ESA and ALL our Sisters!!
