

President's Acceptance Speech

Like my Grandma said in HER Acceptance Speech "This'll be short and sweet"!

Thank you for your support and belief in me. I have grown up in this Organization and each and every one of us are "Precious Gems of ESA".

We will have a year filled with great fun!!!

Thank you!

President's Message

My goals for this year are as follows:

- * Getting the updated/corrected Forms in the hands of all the Chapter Officers that need them.
- * Utilizing the Colorado and ESA websites more. The Calendar Page is very useful.
- * Getting the State Officers engaged with Chapters around the State.
- * Having fun together!!

Love in ESA,

Chloe McClantoc

2022 ~ 2023 State President
