Presidents Message

Loydette Knight
2019 State ESA President

Hello, ESA Angels,

I had looked forward to the State Board meeting. I cancelled because I felt that our health was more important. The State Convention has been postponed until June 26, 27 and 28, same location.

We are all in a holding pattern due to this pandemic, and I hope you are all finding something to occupy your time to alleviate the "cabin fever syndrome" .

The only event I have been able to attend was Epsilon Epsilon Tea, I had sent out numerous cards until all of this came up. Will not send out any until the all clear is given and it safe to do so.

I have the best neighbors, they do all my shopping for me, makes sure everything is sanitized before I bring it in to the house. Will never be able to repay them.

Keep in touch with your sisters, be safe and keep healthy. Looking forward to all the hugs we will receive at State Convention in June.

Hugs and love to all,

Loydette

A little humor.....

But seriously, many, many people will be effected by this virus before it's all over.

I have asked I.C. for guidance, as to what applications might be covered in these extraordinary circumstances. Please remember, we may have members who have been effected by the recent tornadoes and floods, as well as, being laid off or contracting the CoVid-19 virus and other severe, tragic circumstances.

I have heard back from I.C. and if there are MEDICAL related expenses, that application would be considered. However, lost wages or unemployment costs will **NOT** be considered. I hope everyone understands. I know it's gonna be tight for a lot of people. I just found out tonight, that my own Husband is going to miss 3 weeks of work, not 2! So I understand!

I also want you to remember to get your donations in to me as soon as possible and think about maybe giving a little bit more than usual, if you can, as we have some very trying situations right now.

My board for the afghan made by Lori Anderson - Havelick is not completely filled up yet, and we will still have it available for State Convention, the totals will just have to be forwarded to Loydette's year. If you could get your squares money to me before State Convention, tho, I would very much appreciate it! I would very much like to see Colorado in that top 10 in Texas, this year!

Stay healthy, stay safe!

And remember, us women are at an advantage because
We have a ready supply of mask substitutes!!

Love ya!
Leslie

Colorado Web Team

Virtual greetings from your Colorado ESA Web Team!

We miss seeing all our sisters and although we are saddened Spring Board has been cancelled and State Convention has been rescheduled, we want our sisters to be healthy and safe.

Thanks to Chaplain Phyllis for reaching out and keeping us connected and boosting our morale. She is truly an “Angel Among Us”.

It is so great to hear how our members are meeting the challenges of this unprecedented time.

This is an opportunity for us to think out of our everyday boxes. Many are as they turn to online communications, meetings & classes. YouTube has a TON of “how-tos” for everything for you can dream of.

Perhaps this is a glimpse into the future way of doing things? Consider joining Charlotte Carloni on her 9:00 am Monday Chats – look for emails from her.

Our Colorado ESA web, esacolorado.org, will be updated as needed to reflect the changes in our state.

Please note that minutes from meetings, chapters in good standing, proposed bylaw changes, candidates for office are now found on the Officers/Chairmen page.

Great pictures can be viewed on the Projects Page for St. Jude's, Hope for Heroes and Easterseals. Please share your events pictures for this page - they are most welcome!

Can't find what you need? Visit the Site Info Map found on upper left menu of the home page. Your web team is always available to gladly assist. We invite you to share your comments, ideas and suggestions.

Again, stay well and safe. We hope to see you soon.

EASTER SEAL REPORT

I met up with Ross Howell and Sharon Brown from Easter Seals in early March. They are so excited about our partnership with them. They are so appreciative Of ESA in the way that they help fill their "Need List" each year at our State Convention.

Part of our giving is that we are able to help them with their many activities that they have on a monthly basis. Sharon has only been with Easter Seals a short time and was excited about some of things that we can do to help them with the flyers. We can help participate in some of their activities as greeters or passing out flyer & etc.

Sharon is going to send us their monthly activities so that we can let you all know what is happening. Many times they only need one or two helpers. We ended this get together by saying that they will have a get together each year with the new Chairman and get to know who we all are and begin each year with the activities that are going on And get this information out to all of you.

Shirley Conway

Colorado State Council

Greetings from these crazy times,

As you know our convention has been postponed until June 26th, 27th and 28th. This affects us all.

As a group I know we are strong and flexible.
I have seen this so many times over our years together.
What a wonderful group of people.

Please continue to take care of yourself.
I am sending a hug and love to you.

Scrapbook Chairman Report

As 2019-2020 Scrapbook Chairman, I have been working on a digital scrapbook. I am limited by the pictures I have received. Thanks to Dixie for the wonderful pictures of IC Convention.

I have pictures of the 2019 State Convention and Fall Board.

I really would like to have pictures of Regional Round-Up, Area Councils and Chapters.

Please do not assume that some one in your chapter has sent me a picture because I know they did not since I have a picture from only one chapter!

Surely someone took a picture from a Christmas Party or chapter activity. Please text or email me a picture or two to add to the memories of Loydette's year as state president.

Thank you,

Cleo Cinea

Gamma Chi News

I am sitting in my house looking out the window hoping to take a walk but changing my mind as the wind is blowing way to hard. I guess I have cleaned out a closet.

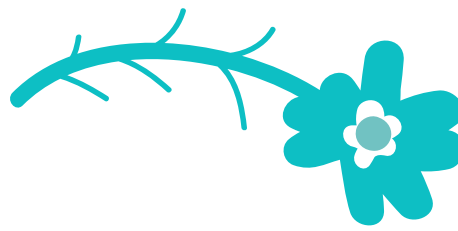

Well, February was a fairly normal month as we helped at the Community Kitchen and got ready for our annual Bunco fundraiser.

Later in February we held our annual movie night. We enjoyed watching "The Book Club." On March 7th we had a beautiful day and our bunco fundraiser was very successful. Luckily, we had it a week before all the craziness started to take over our lives.

That's about all the news at this time.

Take care. Pam McGee

Theta Eta #2830 Publicity Report – April 1, 2020

We are happy to see Spring arrive, after the snowy February we experienced. At our February meeting we hosted Sue Ricker who presented an educational on the subject of Human Trafficking in general and the Restore Innocence Project in particular. We then presented her with the blankets our chapter had made to be included in the bags given to the rescued victims of trafficking.

Our big event in February was our Spaghetti Dinner on February 23rd, which was held at Green Mountain Presbyterian Church in Lakewood. We sold 110 tickets and enjoyed a good turnout. This was our major fundraiser of the year, and it was a successful one. March was a busy month for Theta Eta! Cary Johnson from the District Attorney's office of the First Judicial District, presented an educational on "Elder Fraud" at our March 3rd meeting. On March 20th, several members will volunteer at the Action Center's "Beautiful Junk Sale at the Jefferson County Fairgrounds. On March 19th, we will spend the afternoon at the Garage at Highlands Methodist Church where we will work on sewing blankets and cutting and sorting coupons for our military troops.

A nominating committee was formed and will meet before the next meeting to present a slate of officers for 2021. The Action Center Shelter is opening again with a new name, the Launch Pad, for homeless Red Rocks Community College students. We will provide twenty-four hours of food for the Launch Pad once a quarter. Nut sales are ongoing to raise funds. Our philanthropic money was spent donating to the following causes: St. Jude Children's Research Hospital, Disaster Fund, two Scholarship programs and the Owl's Roost Environmental Camp.

Happy Spring and Happy Easter to all!!

Charming Book Club of BZ Chapter

Mary Chamberlain

It's interesting that I was first introduced to the "sisterhood" of ESA by Beta Zeta Chapter's book club that started in the summer of 2018. That's what ESA started as—a book club, so I can say, BZ has gone back to its roots. As a new member, I felt it important to "pull my weight" with the sisters, so I surprised my new friends with a wine glass charm that was designed specifically for the book, *Joy Luck Club*. Delighted the girls were in getting something significant to remember the book by. Since then, I have made a charm for each book, each time a carefully selected charm and each individual wine charm different by the color of beads each member has as favorite colors. We even had one for Christmas time when we gathered to watch the movie, *The Book Club*. Periodically we bring out the charms and have "quizzes" what charm goes with each book.

Although not all members of BZ are in the book club, and recently added book club members are not BZ sisters, we all share the love of learning new things. Possibly more importantly we love learning about each other and valuing each other's opinions and interest of varied tastes and genres. We cherish the monthly get togethers, catching up with each other's lives, discussing light current events and eventually the book. Each month we meet in a different sister's home, she makes the refreshments and provides the wine (or why else would we need the wine glass charms). Some of the chosen books have lent themselves to some pretty remarkable afternoon treats, with club members bringing out and polishing the silver tea sets and choosing delightful fare to accompany the featured book. Before departing a different member chooses next month's selection.

As a new pledge, this has been a remarkable experience for me getting to know my sisters in an intellectual, intimate level. As I read a new book, I think of a good symbol for the book and get the charm ordered; and as I make each wine glass charm, I think of each sister as I add their favorite colors to the charm. It's truly been a charming experience for a charming group of women.

All the wine charms so far

Kappa Iota #5442 - Golden

Due to the CoVID - 19 Virus, Kappa Iota decided to limit our risk, as we are all in the high risk category and try a 4 way call meeting for our March meeting! We have never tried this before, usually only Lori and Leslie are on the phone, but we decided to try AND IT WORKED BEAUTIFULLY!

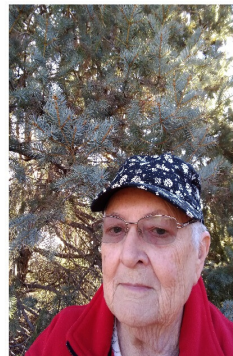

No talking over each other, call quality was crystal clear and we got a lot of stuff done!!!

We welcomed our newest member, Eric Havelick!!

We decided what to spend our money on this year, who's filling out forms and decided to keep our Officer's the same for another year except for the Educational Director, which will be run by Lori and Eric in the upcoming year! Can't wait to see what they come up with!!

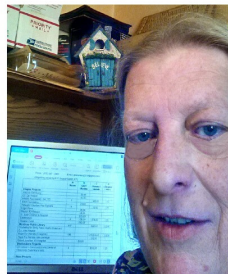

We were going to have our April meeting up in Silt, however, with the lock downs, we decided that it would not be a good idea, so we may just do another 4 way call for our April meeting! As Nancy put it "I can wear my PJs". LOL!

We continue to clip coupons for our Troops and we are working on a new project for the Fall, that we hope will become a regular event for us AND YOU! :) Somethin' a little different!

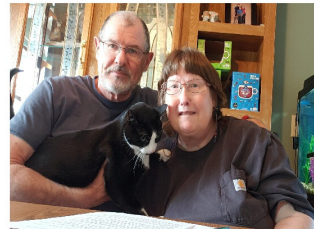

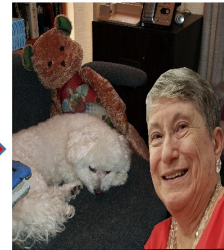

Nancy getting some fresh air!

Leslie and her fairy house

Georgia, Lilly and Teddy

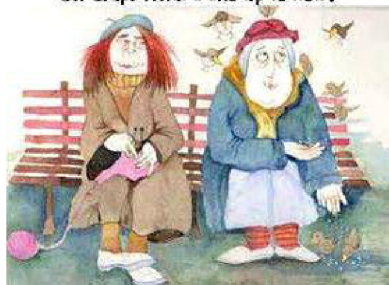

Our newest member, Eric, kitty Kody and Lori

We hope and pray that everyone stays healthy and safe. We hope to see everyone at the State Convention in June.

Hang in there!

Your Kappa Iota Sisters.

When I get old I don't want people thinking
"What a sweet little old lady"...
I want 'em saying
"Oh Crap! What's she up to now?"

Beta Zeta Chapter

Carol Dunn Publicity Chair

With Founders' Day coming up I wanted to share this picture with Colorado sisters in hopes someone might recognize one or more of these ladies or the chapter involved.

It is a mystery which started with Beta Zeta member, Mary, browsing through an antique shop in Florence, CO, home of our ESA chapter, Omega Chi.

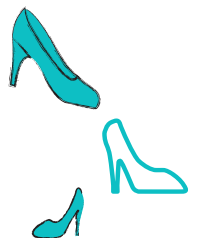

She pounced on the picture with the familiar ESA banner! I asked several of the members of that chapter of "a certain age" and they did not know any of the ladies. Even if the gals are never identified, it is fun to see the way ESA celebrated in the past. I am marking my 50th year in Beta Zeta chapter and remember when we "dressed up" for Founders' Day in long dresses and high heels!

And conventions were occasions for "hats and gloves"!

We may be more casual now, but the love, the service to each other and to our communities and the generosity has grown greater every year!

Hope every chapter and every member have a wonderful Founders' Day.

ST JUDE DREAM HOME CAMPAIGNS

Tickets went on sale March 20 for the Colorado Springs Dream Home Campaign.

This means an early morning at the tv station with a Sellathon; however, with the current world events, the Sellathon was cancelled. Kudos to our Colorado Springs sisters as they are busy processing tickets reserved on-line and those received thru the mail; they've processed 1,900 tickets the first week.

Our ALSAC staff held a telecon with the Co-Chairs from both dream home campaigns to discuss the what "if's" for the campaign and hosting open houses.

It's always exciting to hear the visitors discuss who will get which bedroom, how they'll decorate the house, and comment on the awesome staging by Furniture Row.

We won't hear those conversations this year. ALSAC provided the following which affects all Dream Home Open Houses at this time:

Out of an abundance of caution, the Colorado Springs St. Jude Dream Home Giveaway Open Houses have been postponed until further notice for your personal safety and well-being.

To assist with ticket sales, your help is needed to spread the word that ESA is currently selling tickets for the St. Jude Dream Home in Banning Lewis Ranch at 7034 Fauna Glen Drive, Colorado Springs. The drawing will still take place June 12 as scheduled. For those on Facebook, please like St. Jude Children's Research Hospital – Rocky Mountain Connection and share the posts for the dream home.

St Jude Dream Home

Ground breaking for the 10th Denver Dream Home was January 24; the largest ground breaking event to date.

Oakwood Home provided lunch under a tent with sunshine and no rain or snow. The home is in Green Valley Ranch between Picadilly and E-470. This year the home is a ranch style! Tickets go on sale July 9 with the Giveaway September 3rd. The dates are a little earlier with this being an election year.

Thank you!

Monday ESA Coffee Chat with ESA's Executive Director

Monday, March 30th, was the second Zoom meeting with our Executive Director, Charlotte Carloni, and ESA members from across the country. Charlotte passed along the information from the meeting and asked that we share the updates with our chapter and state.

Special guest, Rich Peterson from ALSAC, shared a video with a message from Rick Shadyac to St. Jude's major partners and donors: "St. Jude is doing everything possible to protect the vulnerable children in our care. Patients battling cancer and other diseases are extremely vulnerable to contagious viruses. The medical leaders are strictly limiting visits to St. Jude to essential personnel only. They have put in place recommended safe guards including having many ALSAC and St. Jude staff members work from home temporarily. Fund raising events have been postponed and we've educated the work force on the best practices to avoid contracting or spreading COVID-19. We are working to organize virtual events so you can hear directly what's happening at St. Jude during these unprecedented times. As Danny Thomas often said, Success has nothing to do with what you gain in life or accomplish for yourself; it's what you do for others! Thank you, thank you, from the bottom of my heart for all you do for the kids at St. Jude."

Everyone was encouraged to register for the St. Jude Volunteer Management System – this is a great way to learn about volunteer opportunities in your area and for ALSAC regions to be able to contact you, as an ESA member and loyal St. Jude supporter, to help spread the mission of St. Jude. Be sure to note that you are a part of the ESA national team when registering and share this link with your chapter members so they can register too: www.stjude.org/volunteer (just right click and click on Open Hyperlink)

Registration for the St. Jude Walk/Run is now open! Create your team and send the registration link to your chapter members, friends, family and neighbors to have them sign up to walk with you. Remember, ESA has a \$75,000 fundraising goal, so please consider fundraising along with any volunteering you may do at your local walk. When registering be sure to select ESA from the National Teams pulldown:
<https://www.stjude.org/get-involved/fitness-fundraisers/5k-walk-run.html>

Let's get social! Join the Team ESA – St. Jude Walk/Run Facebook page. This interactive page is a place for you to share how you're raising money, ask questions, participate in challenges and cheer each other on! Share this link with other members in your state as well:
<https://www.facebook.com/groups/TeamESASTJudeWalkRun/>

Rich shared that Open Houses for the Dream Homes have been cancelled. All campaigns are still selling tickets. ALSAC Regional Events thru May 10 have been cancelled; some might be pushed back.

If you are interested in joining the Monday Coffee Chat with Charlotte.
Join the Zoom Meeting from 9:00am to 9:30am by clicking on <https://zoom.us/j/354665216>.
You can also call in (346) 248- 7799; the meeting ID is 354 665 216.
