Hello from my garden,

Presidents Message

Vicki Bruso

2020- 2021 State ESA President

I am out in the raspberry patch. I would like to send out a thank you to the board members for joining our Zoom planning meeting. Our support of the lamplighters at our meeting makes up the flowers in our garden.

Well as we are digging away. We have already been a part of the Virtual walk for St Jude. We are also working on the recipients for the Denver dream home prizes.

Please let us know what you are doing in your garden.

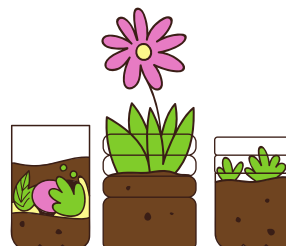

Foundation is challenging us to get lifetime active members for foundation. This allows them to give out grants. I am putting out a challenge. If we can get one of you to become a lifetime member of foundation, I also will become a lifetime member of foundation.

So the shovel has been thrown down.

Love you all,

Vickie Chavers-Brus

Colorado Council State President of ESA

Vice - President Report

Message from your President-Elect,

It was enjoyable to visit/see the new board during Vickie's Planning Meeting. It is certainly obvious we are mastering the world of Zoom. As I shared at the meeting one of my major goals is to work on a slate of officers for next year. Please let me know if any of you are interested in being on my board for next year.

I just received the email regarding the 2021 Leadership Conference. I am excited about attending the virtual meeting. I will be registering very soon. If anyone else is interested in attending, please check out the ESA website. It will be February 25th-27th.

Membership is still our goal and I will be talking with Chloe to brainstorm ideas. See all of you on October, 17th.
Pam McGee-President Elect

Corresponding Secretary 2020-2021

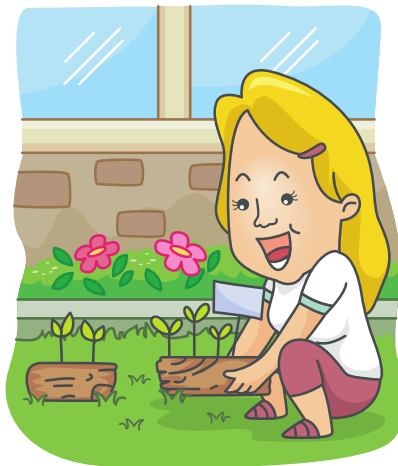

Happy Fall to everyone! We are off and running in a new ESA year and I am excited for what I have seen at Vickie's planning meeting. There is so much enthusiasm and excitement from our new board members that we are sure to have a great year!

As Corresponding Secretary this year I have now completed the State Yearbooks and they are in the process of being distributed.

Normally we have the Fall Leadership meeting to get them out but then this is anything but a normal year. If you haven't received your book yet don't worry they are on the way. If there are any corrections to the book please send the information to me in an email. If you are not an officer but would like to have a yearbook there are extra copies at \$5 each.

I planted the seeds and now we are harvesting our crop!

Hugs,
Kathy Garrison

Treasurer's Report

Greetings ESA Sisters!

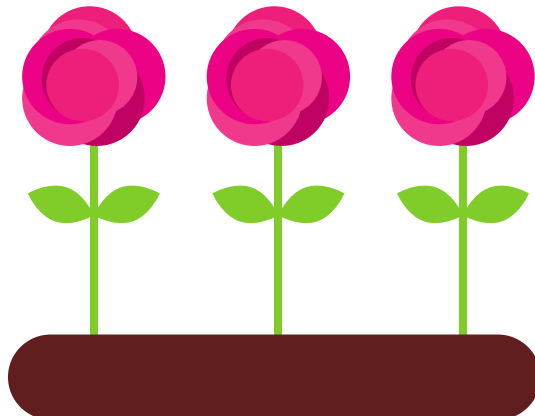

Happy Fall, I don't know about you, but this time of year is my favorite. The changing of season fills me with anticipation of things to come--pumpkin patches, cooler weather, fall decorations and so much more . . .

But mostly, I LOVE the fact the ESA gears up for another year. As your chapter makes their plans, just a reminder that Chapter Dues and Council Dues need to be paid by December 1'st in order to assure that your Chapter is in good standing.

The form can be found in the yearbook, or on esacolorado.org. Make the checks payable to Colorado State Council.

It will be fun to get mail from all over the state. I am looking forward to seeing all your beautiful faces at our Fall Board ZOOM meeting on October 17th.

Love to all,

Colorado State Council Hope for Heros

Colorado State Council 2020-2021 Hope for Heroes Chair – Susie Morris

As our CSC Hope for Heroes Chair this year, even amidst this pandemic, I'm extra hopeful, as our fabulous IC President LeAnn Wray and IC Hope for Heroes Chair - Julene Donnay, have THREE exciting opportunities of what we can safely do in ESA for Hope for Heroes:

1. Welcome Home Vets: a program that provides a "home coming kit" to Veterans that are moving into a new apartment or living quarters after having been homeless for a large variety of reasons. The program initially was being done in Minnesota, but we are very lucky to work with the Welcome Home team and the Elks Lodges across many states and now are making connections for several states to start doing the same. The average "home coming kit" is \$400.
2. Folds of Honor: a program that offers scholarships to all Veterans' family members if the Veteran was wounded or killed in action. The opportunities to work with Folds of Honor are numerous and can be done on a small scale or a large scale. Please send names & addresses if you know of someone.
3. Wreaths Across America: this program assists in placing wreaths on the graves of our fallen from all wars that are buried in a National Military Cemetery or possibly ask for approval at local cemeteries as the "Laying of the Wreaths" is on December 19th, 2020.

How am I following through so far with all these amazing opportunities?

-I am working with a friend and her contact @ our local Elks Club to possibly set up a "Welcome Home Vets" program. The Folds of Honor, I'll need to follow through on the links they sent me and accumulate names & addresses of applicants. With Wreaths Across America, I'm going to follow through on the links as well and see if we have an organization already ordering wreaths.

Also, in the works:

-I am selling Soldiers Angels "dog tag" necklaces for \$10 each that we decided @ Fall Board Planning Meeting. I have 70 necklaces that were donated by Shirley Telinde and I'm able to order more to sell as well. Please send your checks written out to me: Susie Morris, 16815 Howlett Pl, Mead, CO 80542 and I will ship back your necklace(s) to you. Thank you ☺

-I have a "Raffle Basket" that we will draw for at CSC 2021 Convention. Tickets are \$1 each or 6 tickets for \$5. I'm continuing to add "goodies" to this Hope for Heroes Raffle Basket, but so far, the large basket contains ALL Red, White & Blue: lap quilt, pillow, lap blanket, assorted decorations, picnic tableware & hand towels. I ordered a Soldiers Angels bag to add as well as some other appreciative memorials. You're also welcome to include a check written out to me and mailed to the above address and in turn, I will mail back a raffle ticket(s) as well. Thank you ☺

-I have an email list of Soldiers names & addresses from ESA HQ and will be sending cards with thankfulness and reminding them they are loved and NOT forgotten. I'm looking into if we're allowed to mail "need based" items as well, due to pandemic.

As we all have experienced, fundraising at this time is difficult, but not impossible. We can continue to safely adapt, together. Once we have a better idea of accumulated monies, we can then decide how to spend on our Colorado Veterans. First idea is purchasing "home coming kits". Thank you ☺

LOVE in ESA,
Susie Morris, CSC 2020-2021 Hope for Heroes Chair

ESA COLORADO STATE CONVENTION AWARDS

Senior Past President/Awards Chair 2019-2020

I want to thank everyone for a great virtual State Convention. It definitely was different this year for the awards chairman with not being able to present them to people in person. Luckily I have had some great help in distributing the awards across the state to all those who won awards. I encourage more of you to participate in the award program because we want to hear from you. In my book you all are WINNERS! Here is the official list of Awards for 2019-2020. You may also find them on the Colorado ESA website.

It's no surprise to any of us in Colorado that St. Jude would spot light Nancy Cameron for her tireless work on behalf of St. Jude Children's Research Hospital.

ST JUDE DREAM HOMES UPDATE

The winners of the 2020 Denver St. Jude Dream Home took possession of the home September 24th. They purchased one ticket in July, not expecting to win the home. Anthony thought a friend was pranking him when he received a text asking “did you win?” Anthony likes the outdoor gas grill and Dana likes the large kitchen area.

The other prize winners have been notified; we are waiting to hear if they will accept their prizes. It’s always fun to hear the winner’s reaction when they receive the initial call that their name has been drawn.

This year with COVID, we were limited on the number of folks that could work in the office. For both the Colorado Springs and Denver drawings, only the auditor, one ALSAC rep, and one ESA member could be in attendance. For Denver, the drawing was outside, under a canopy, in front of KDVR; thankfully, it was a nice morning.

What an awesome feeling to be able to support the kids at St. Jude!
Thank you!

Zeta Rho

Zeta Rho will have a meeting/brunch on October 3rd in the home of Shirley Telinde.

Hopefully we can have a meeting/brunch once a month.

Cleo Cinea had some more surgery, all went well, but I'm sure she would love to hear from all her ESA sisters.

Cleo Cinea

5860 S Sherman Way

Centennial, CO 80121

Jody Karr will be moving into a condo and selling her home. There was just too much upkeep and she isn't able to handle it. She just had her 89th birthday on September 4th. Her new unit is on the ground floor so no more steps, the unit is still being worked on, she's hoping to move in before the snow starts flying.

I will keep you posted on her move and her new address when she gives it to me.

Marlene Hewitt is still taking care of her mother, she had hired someone to come in and help her but her mom didn't like her so she told her to leave. I guess you do what you can, hopefully I'll be able to take care of myself if not I'll go to assistive living. On top of everything else she is looking for another job within the company she works for now.

Lisa (Holt) Betz and her husband Dean are both well. Lisa still works at the bank, doing some work at home.

I guess Dean has gone back to work as he is a custodian for Jefferson County School District.

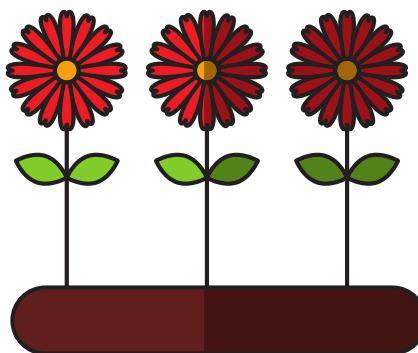

Loydette Knight is doing well. I try to talk to her often just to see how she is doing. Of course she is like everyone else tired of staying home and going stir crazy. Thanks to COVID-19.

As for myself, me and my hubby (Marion) are both doing well. Getting ready for our new great grandson Oliver in December. We went to Durango over Labor Day and took my sister Billie Farnham with us. Our youngest son Ben lives there with his new wife Susan, she is a delight and a welcomed daughter-in-law. They have a wedding anniversary coming up on December 29th. We spent 4 days over there, wow has that town changed and grown. The trees hadn't started to turn yet but was still a beautiful drive over there. We spent one day in Silverton and Ouray, they both have changed too. Our last evening there we spent a natural hot springs soaking the old body. Looked like a dried up hotdog when I got out but who cares it felt wonderful.

Well that's all the news from Zeta Rho so until next time I will be thinking of you all and hoping we can all get together one day soon.

Hugs to everyone.

Gamma Chi

Our chapter got together in August at a local park again. We had a great time visiting and discussing some ongoing activities. Of course, it snowed on the day we were to meet in September so we canceled. So, we are anxious to meet in October. August, September, and this month we volunteered at the Community Kitchen.

In September we served sack lunches to the artist during Pastels on 5th. It was a beautiful sunny day and as always there were some wonderful chalk art drawings. Phyllis sent a photo of one for her daily Chaplain postings. There were five of us that attended Vickie's recent planning meeting. That is all the news for now. Your sisters in Loveland hope all of you are healthy and enjoying our beautiful Colorado weather. See you later this month.

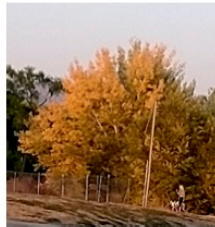

ESA Love,
Pam McGee

Continuing with our Troopons and we will take a look at the new programs for Hope for Heroes that are being started this year. Lori continues her beautiful crocheting for the vets and Warm Hearts in Grand Junction.

Theta Eta Chapter Publicity Report October 1, 2020

Theta Eta Chapter members met outside at Sue Steveson's home on June 29, 2020. We caught up on each other's lives since we hadn't met since March. We then elected officers for the 2020-2021 year and enjoyed a box lunch.

Members met again on September 15, 2020. We wore mask and were seated at a safe distance from on another outside.

Our new president, Sue Steveson conducted a brief Educational using her theme; “Be The Brightest Crayon In The Box”. Her program was entitled “Use The Whole Box and Color Outside the Lines”. She read “The Day the Crayons Quit” in which the colors write a letter to Duncan, telling him why they are unappreciated and over or under used. The Educational was followed by an Installation Of Officers administered by Sue Steveson. She presented each officer and chapter member with a larger cardboard crayon which symbolized that particular position or office, with an explanation of that color and the responsibility it represents.

It was emphasized that this year's educational programs will determined be COVID 19 regulations.

Our primary philanthropic focus for this year will be the ACTION CENTER, since several of our former projects are unattainable during the pandemic. Members brought peanut butter and jelly for the ACTION CENTER in September. We will bring canned vegetables in October. We will also participate in Operation Christmas Child this year.

We discussed fund raisers for the year. Sue gave each of us a crayon bank, we are to put our loose change in it and bring it to each meeting and add it to a large container. We are also planning a "No Show Tea". Nut sales continue and will be ongoing.

We discussed future meeting venues for when the weather turns cold and outside isn't possible.

Finally, we celebrated September birthdays with cards and cupcakes.

Respectfully submitted,
Marge West
Carolyn Rush

Book Club Report

I finished *This Tender Land* last week and it was a wonderful story. I highly recommend it and it would be great for a book group discussion. It had an ending I did not expect. Here are some other ideas:

Where'd You Go Bernadette - Maria Semple

Tidelands - Philippa Gregory, Series about a family in 1648

Reading Behind the Bar - Jill Crunenuald, a memoir of literature, law, and life as a Prison Librarian

Gentlemen in Moscow - Towles Arm

Please let me know if you have a book to recommend.

Happy reading.
