#### June State President News

Since the last newsletter a lot has been going on. April and May were very busy as I attended three Founder's Day functions. I joined Denver Epsilon Council for a nice afternoon of good food and visiting with Colorado sisters I hadn't seen in two years. Two weeks later I drove to Akron. Northeastern Colorado Council had 14 in attendance. Their fundraiser for the day was a silent auction for the Disaster Fund. The next day I drove to Colorado Springs for their Founder's Day celebration. I also installed their officers for 2022-2023. State Convention was a wonderful way to end a year I have thoroughly enjoyed. It was special having my chapter host and I enjoyed being involved with some of the planning. We had a great time celebrating the Fabulous 50's. Charlotte Carloni was our IC representative. At our Saturday awards luncheon we were blessed to have two special women as our guests. Leila Morrison and Barbara Babcock. Leila, Gamma Chi's Honorary member, was a 2nd Lieutenant, in the Army Air Corp during World War II. Barbara, my neighbor, shared stories when she worked at ESA headquarters in the middle to late 60's. It was enlightening to all of us to hear both special ladies speak and share their experiences. I appreciate all of my Colorado sisters that helped with the convention. Awards showed all of us that we had another great year. The induction to the Lamplighters was so entertaining. I am privileged to be part of these special ladies. Now the gavel has been passed to Chloe and I wish her the best. I am looking forward to Fall Board.

I appreciate all of you making my year so special. Remember "We Are the Threads that Bind ESA"

With ESA Love, Pam McGee

# Rocky Mountain Regional Council

Rocky Mountain Regional Roundup will be held in Moab, UT this year and the registration form is on the Colorado website. This is a time for getting together with a smaller group than at IC and is a great time to form friendships with our sisters from the other four states in the council.

If you come to Roundup there is much to see in Utah. You might want to plan to spend some extra time exploring the Arches National Park, Capitol Reef, the Great Escalante and Grand Staircase, Brice Canyon and maybe the Canyon Lands. If you have a four wheel drive vehicle you could even try rock crawling!

This is also the year to elect new officers for the RMRC so if you are interested in running please let me know. The nominations will be taken at the IC Convention in Indiana and then the slate of officers will be voted on at Roundup.

Hope you will join us in Moab at the Lazy Lizard International Hotel August 12 - 14, 2022.

Kathy Garrison

Rocky Mountain Regional Council President

Hello All,

Thank you, Kathy, Keri, and Gamma Chi Sisters for a fun convention. Heather, thank you for taking the time to go and purchase the roses for me. You saved me because at that point I forgot that I needed them.

CONGRATULATIONS to all the WINNERS of Awards at the convention.

VICKI CHAVES BRUSO was our outstanding woman of the year. We will have her ceremony at the Fall State Board meeting. . .

Pam and her Board did a wonderful job this past year!

IT was so good to be able to meet in person and get all those hugs we had been missing.

Best wishes to Chloe and her Board for the coming year.

Wishing all of you a wonderful summer.

Loydette

# Easterseals Report

HELLO!!!

It was so good to see everyone at State Convention. My very first convention was one for the books. It was an amazing weekend, and I can't thank everyone enough who made it so great!

I left there meeting some great people and even forming some friendships.

I want to thank everyone for all the items they brought for Easterseals. I had two speakers set up to speak Friday night but due to the weather, they canceled.

A **H U G E** shout out to Charlotte Carloni, Joan Snyder, Shirley Conway, and Connie Balsley for stuffing their vehicles full of the items donated and helping me deliver them to the Easterseals location in Denver. I owe you all!! Thank you!!! Thank you!!!!THANK YOU!!!!!!

We had the drawing for the quilt. I was able to sell tickets through the end of convention and the winner is LINDA NOELL, ALPHA PHI #327. Thank you to everyone who bought tickets.

Well, this is my last report for Easterseals. It has been an honor to be your chair for the last two years. I have learned so much and have met some great people. I hope to continue working with Easterseals moving forward.

## Chapter News Gamma Chi #3668 Loveland

On June 8th we will have our banquet to celebrate our Chapters year. We finished off by hosting Convention. Gamma Chi enjoyed all the planning, though as many of you know it does take a lot of time and work.

We all went home and put our feet up and relaxed. Maybe wine or some other type of drink was involved. Congratulations to Riki for being installed as State Parliamentarian. During April and May we helped at the Community Kitchen and Food Bank. We have been collecting clothes for Alternatives to Violence. They now have a place for abused women and their families to pick out clothes.

We will be hosting a blood drive on June 14th. Later in the month we'll be helping at Loveland's Annual Lake to Lake event. We don't work quite as hard, but we always keep busy.

Gamma Chi wishes all of you a great summer

## Chapter News

### Beta Zeta Chapter #3149

Education Chairs Mary Chamberlain and Kathe Kearney organized some fun, fascinating educational programs. We traveled to Pueblo to visit the historic Alpha Beta meat packing plant which is being transformed into the Water Tower Place. Our guide Gregory Howell talked about the iconic building and how it will house meeting spaces, offices, and apartments when the restoration is complete. We stopped for lunch and libations at the Brues Alehouse at the Historic Riverwalk along the Arkansas. Good food and good company!

Beta Zeta was thrilled to welcome Colorado ESA Spring Board meeting to Cañon City and the little town of Brookside. Coyote Ridge Catering provided wonderful meals at the welcoming Brookside Hall venue. Friday night the speaker was local retired teacher and travel agent Cathy Royce who spoke about weaving from around the world and displayed many beautiful textiles that she has collected in her travels. Pam, her officers, and committee chairs reported on all the amazing projects and giving that our state organization does. So glad it was a fun and productive gathering!

Our dear Mary Elin Stratton went to be with her Lord and Savior on May, 22. She was diagnosed with glioblastoma cancer in March and was gone 70 days later. Our Beta Zeta hearts are broken. Many Colorado members knew Mary Elin from her position on the State Board as Philanthropic Chair for two years. She was the sparkplug and auctioneer for our annual fundraiser. Mary Elin bettered the lives of many children in our community during her time with the Department of Human Services in Fremont County. We will miss her forever for her lovely smile and caring heart and will be grateful she was in our lives.

President Marsha Horn's theme this year was "Gratitude". We are so very grateful for each other and the support we can always count on in ESA.

Love to all,  
Carol Dunn, Publicity Chair
